Your Personal Data

Manage your personal data in TSD.

- Review your personal data ?
- Review your privileges ?
- Change your password ?
- Change your OTP ?

Project Application

Apply for membership in a TSD project. ?

ⓘ This service is currently only available to users with a Norwegian electronic ID.

[👤 Apply For Membership]

Your Project

Information about the project and the PI.

- About your project and the PI ?

Project Administration

Administer the members and settings of your TSD project.

- Review applications ?
- Manage project members ?
- Manage user groups ?
- Manage person groups ?
- Manage access to VMs ?
- Manage import links ?
- Audit file exports ?

[🔗 Administer Your Project]

Connect to TSD

Open an interactive connection to your server(s) in TSD.

[🖥 Connect To TSD]

Applying for access [future users]

- Multilayered information.

- Displayed on demand.

Project Application

Apply for membership in a TSD project. ?

Instructions for use   ✕

Apply to become a member of an existing TSD project.

Note that you will need the code of the project you want to apply for, which consists of the letter 'p' followed by a sequence of digits (for example p12345).

Please do not forget to notify the PI of the project about your application.

» Further details

Managing personal data [users]

- Operations pertaining to **all users** of a project.

- Empowers users.

Your Personal Data

Manage your personal data in TSD.

- Review your personal data ❓
- Review your privileges ❓
- Change your password ❓
- Change your OTP ❓
