

HVA ER ELEKTRONISK POST ?

UNINETT-SEMINAR 26. OKTOBER 1988

ALF HANSEN

UNINETT

SVAR:

**Elektronisk formidling av
tekstlige meldinger,
mellom personer**

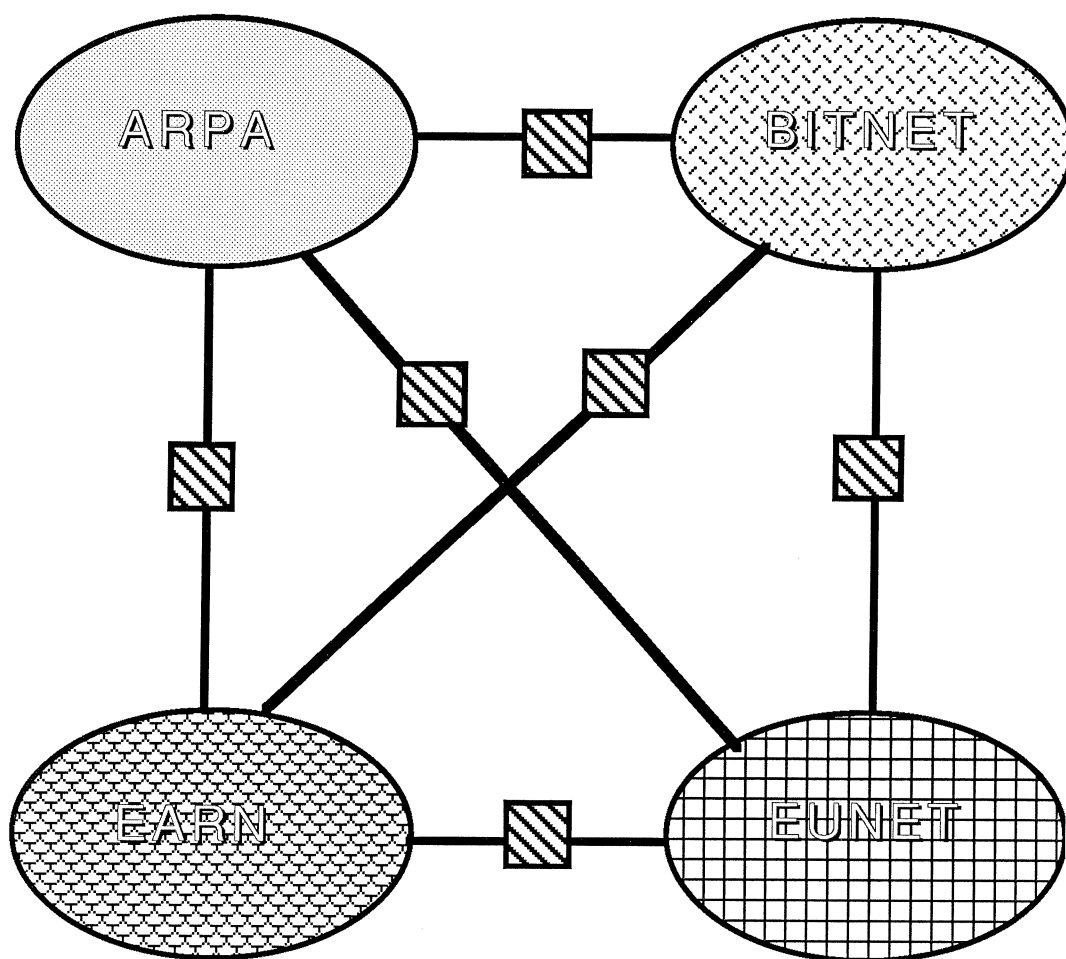

Hva skal vi med dette?

*Vi har jo telefon, telex,
telex...*

Egenskaper ved MHS:

- **Motta og svare når det passer**
- **Hurtig og presist**
- **"Multi media" (i framtida)**
- **Kommunikasjon med kataloger, databaser**
- **Gruppekommunikasjon**
- **Videre tekstbehandling/arkivering av meldinger**

*Forskjellige teknologier
for elektronisk
meldingsformidling.*
